## Tools

### Online Voter Registration

The fastest and easiest way to allow people to register to vote - right on your own website! Choose from two options:

1. Select a button from our button page, fill out the form, and insert your customized code on your webpage.
2. Create your own button, fill out the form, and insert your customized code on your webpage.

GET STARTED

### Volunteer Mobilization

Mobilize your constituents to reach out to friends, family, neighbors, and your organization's contact list about the importance of registering and voting.

Customize our templates with your own message. Tools include:

- Phone Tool
- Door-to-Door Tool
- Email Tool
- Facebook Tool
- Voter Look-Up Tool

LEARN MORE

### Church Voter Registration Drive Kit

Use this downloadable kit to plan and implement turn-key voter registration drives at your church, organization or business. The kit includes complete instructions and materials.

GET STARTED

### RegisterONE.org

If every Christian voter will get just ONE other Christian registered to vote, we'll DOUBLE our numbers on Election Day! Launch a campaign and have your constituents pledge to get one other Christian registered to vote.

LEARN MORE

### AreYouRegistered.org

14% of Americans think they are registered to vote, but they are not! That's roughly 33 million people, and about 7 million of them are Christians!

Launch a campaign with your constituents to make sure they're registered.

LEARN MORE

### RegisterVote.org

Registering and voting is one of the simplest and most important things we can do to make a difference in the future of our nation.

Launch a "Register. Vote." campaign with your constituents to communicate the importance of registering and voting.
